# FKK INC.

Friends Helping Kids, Inc. is a not for profit 501 (c) 3 organization comprised completely of volunteers and run solely through generous donations.

Our mission is to provide an annual summer camp known as Krewe de Camp (KdC) for children with developmental disabilities while also giving their parents and guardians a much needed rest.

## KdC

Krewe de Camp is an overnight camp for children ages 6 to high school graduation. We host campers with developmental disabilities including: Cerebral Palsy, Down Syndrome, and Autism. KdC is absolutely free for all campers accepted to attend. Each camper is paired with one or two high school volunteers (attendants) who assist the camper with his/her day-to-day activities.

Krewe de Camp offers a traditional camp experience, including arts-and-crafts, outdoor games, and swimming. Campers and attendants participate in fun night activities, such as a costume dance, talent show, and an outdoor fair with live music.
